

Is it time to consider life insurance?

Making decisions about life insurance can be overwhelming, but the following quiz is a simple place to start. Take this quiz by yourself, or with your spouse, to help determine if now is the right time to consider life insurance.

1. Would your family be able to **continue their standard of living** without your household income? Yes No

2. If you died tomorrow, would your family be able to **continue without hiring help for services** like child care, elder care or housekeeping? Yes No

3. Does your family have the resources they need to provide for **future emergencies** or **higher education**? Yes No

4. Do you have a plan to **pay all your debts** (mortgages, car loans, credit cards)? Yes No

5. Do you have **long-term care** coverage? Yes No

6. Can you afford to **leave a legacy**? Yes No

7. Do you have a **financial advisor**? Yes No

If you answered "No" to any of these questions, take some time to consider how life insurance may be able to address some of the challenges you might face in planning your financial future.

Let's talk more about how I can help you find the right life insurance protection for your needs.
